## **Guarantors & patients please note** **COMPLETION OF INSURANCE FORMS AND REPORTS**

Thank you for choosing this practice for your dermatology and skin care needs. We value you as a patient. To avoid any misunderstandings, please note:

1. Should an insurer request that a PMA (Personal / Physician Medical Attendant) report be completed for an insured individual / patient, this will be **charged for**. Please **ask for a quote** since this varies depending on the type of report requested and the complexity of the report.
2. Although most **insurers agree to pay** for the costs of such reports directly to the practice, the **patient shall be ultimately liable** for all fees regarding such reports.
3. **ALL FEES are to be settled once the document has been requested in CASH or by EFT** (see our banking details on our website under the "Contact us" page), **even if future consultation/visit is envisaged/booked**. Regrettably, **cheques are NOT accepted**. Documents will not be faxed or e-mailed or collected from reception until payments have been made.
4. **Fees are payable for every completed document, irrespective of its success.**
5. In their application to the insurer, **the patient consents to such confidential information being released to the insurer.**

We look forward to meeting you skin care needs in the most efficient and professional manner.
